Initial ideas:

- Have the walkathon start at the school, go up through St Pauls, to the oval and over to Daniel St Park
- Have a staggered start with activities in the school for half the school (Infants) and the Primary children do the walk and then the Primary children come back to the school and do the activities while the Infants children are doing the walk
- The activities can be different skills for different sports, as part of the Sports theme for the walkathon. The children get a stamp on their card whenever they complete an activity
- The cards have different squares representing each activity and also have them show that the child has a meal deal and get the card marked in a certain section to show that they have received that part of the meal deal
- Cards to be on lanyards – Melissa Cini to look into getting these for cheap (?)
- Meal deals are a flat \$10 which will include:
 - A bottle of water at the start of the activities
 - Recess – donut and popper
 - Crunch and sip stop during the walkathon
 - Lunch – sausage sizzle and drink
- Reward for children who raise \$100 or more they get their meal deal for free
- Talk to Lisa Bright about the sponsorship database, ask her to please update letter and post letters out for us
- Prizes:
 - iPad Minis x 3 for raffle prizes; raffle ticket is achieved for every \$10 raised by a child
 - Movie ticket pack for the child that raises the most money

- Other prizes, gained from sponsors, to be used as prizes for children that raise the most money in each class
- Pizza day for the class that raises the most money over the whole school (Eagleboys)
- Thermometers required for each classroom and then a main one for the office, or just outside the office, to show the total being raised in the school
- To do list:
 - Michael to check with St Pauls that the oval will be free on the 18th September
 - Kerrilyn to check with Council and book Daniel St Park for the day
 - Get thermometers ready for day one of Term 3
 - Kim to do costings for meal deal
