

Mad about Science? We are too!

Fizzics Science Club Starting in Term 2

Our Lady Queen Of Peace, Greystanes

Learn how to experiment and find answers to realworld questions with fun, hands-on activities. We'll show students how to create hypotheses, control variables to conduct fair tests, and communicate their results just like real scientists!

Our clubs are designed and run by our team of science educators based on our 12 years experience of science education in Sydney.

To register:

When: **Wednesdays** during term,
3.30- 4.30pm

commencing May 24
