SCIENCE & TECHNOLOGY

Dear Parents,

This term, as part of our science unit called, “Make It Move”, students will be investigating how various toys move.

To assist in the investigation, we would like your children to bring in a suitable toy from home for the Thursday 15th November lesson.

The toy needs to be able to move in some way (push, battery etc.)

Please don't send large, delicate or expensive toys to school. A small and simple toy will suffice.

Thanking you for your support,

RFF Teachers
