### PRINCIPAL'S MESSAGE

Dear students, parents and teachers,

As mentioned in our last newsletter, Term 4 is a very busy time at school. One of our priorities is to organise our classes for next year. It is very important at this time, that if you are considering not returning for 2015, that you let the school know as soon as possible. There are a number of families on our waiting list and we would like to finalise the 2015 enrolments in the next few weeks.

Our new soft fall area is moving ahead but unfortunately the rain has held up the progress. It is anticipated that work will be completed by next week.

Next week we welcome our new Kindy students and parents for Orientation. It's an exciting time for new families as they begin the educational journey through Primary school.

One of the key messages I will be discussing with our new parents is the ongoing support they can provide by helping their children with reading. Whether a child is learning to read or is an independent reader, there is always room for development. The beginning reader requires lots of practice and the independent reader needs support with reading between the lines – making inferences and connections. Next year we will be reviewing our Homework Policy to reflect the need for children to be practicing their reading at home, always with a sense of purpose and enjoyment. We will also look at ways that parents can help in the classrooms, particularly with beginning readers.

Friday is Silly Socks Day in support of Mission Week. All children are currently involved in learning about the Mission of the Catholic Church, supporting people in need, right across the world. Lots of children have already made some interesting sock puppets for the competition and we ask that if children are wearing silly socks to school on Friday that they bring a gold coin donation. We will also acknowledge this work by celebrating Mass at 10.15am in the Church.

Next Friday is also World Teachers Day. I hope that all children will take the opportunity to thank their teachers for the hard work and dedication that they bring to their chosen profession. The staff at OLQP take great care of the children and continue to look at new ways of guiding them in their learning. As Principal, I am very proud to be part of a learning community that is characterised by its professional teaching staff.

*"Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants."*

Deuteronomy 32:2

Have a great week.

Michael Hopley

## RE NEWS:

October is World Mission month. Jesus teaches us about mission and what is important. Our mission is to care for people as Jesus did.

This Friday 24<sup>th</sup> October we will be holding a "Silly Socks" day. The children are asked to wear silly socks to school and donate a gold coin. They might like to wear their favourite footy socks, mismatched socks or some decorated socks. All money raised will be sent to Catholic Mission who will ensure the money goes directly to children in need.

We will celebrate Mission Week with a liturgy in the church on Friday 24<sup>th</sup> October at 10.15am. Please feel free to join us.

We will also be holding a Sock Puppet Competition. Children can design and make their very own sock puppet at home. Please bring your sock puppets to school before Friday 24<sup>th</sup> October. We will judge the Sock Puppets after our Mission Week liturgy and prizes will be awarded for Early Stage 1, Stage 1, Stage 2 and Stage 3.

Thank you for your continued support,  
Rebecca Lloyd

## YEAR 2 NEWS :

### Healthy Harold's visit to OLQP

*On Thursday 9th October afternoon 2014, 2S went to see Healthy Harold's van. We walked to his cool, colourful van. When we got in the van we met a lady named Angela. We went to learn about how to keep healthy and safe.*

*First we got in the cool van then sat down soon after we met Harold. He had Buzz Lightyear under his pants on his head. Later on we learnt that smoking is bad for kids and it can make them cough.*

*Following that, Ethan, Monique, Ben and Tharuki tried to find healthy food and drinks in a basket.*

*After that Nicholas put a cape on and zoomed around the room and collected the no smoking signs!!!*

*Later we learnt about digestion. The food goes down a long tube called the oesophagus. It pushes the food into the stomach. The food gets mixed then travels into the small intestine then into the large intestine.*

*Finally we learnt that if we see medicine we don't touch it. So put it in a high spot away from little kids.*

*I loved healthy Harold !!!!*

*I will miss you!!!*

## 2014 OLQP Parents and Friends Annual General Meeting.

It is with mixed emotion that I say our AGM is just around the corner. Mixed as I have had a wonderful 2 years as the P & F President and I am sad to step down from this role. I am also extremely excited as a new executive committee will be elected and this means, new faces and fresh ideas!

The AGM is being held on 12<sup>th</sup> November in the Library starting at 7.30pm. Attached is a nomination form to nominate someone or yourself in one of the four executive roles, or as a committee member (the person being nominated must be in attendance on the 12<sup>th</sup> to accept their nomination and all nomination's must be received to the office by 11<sup>th</sup> November 2014). The roles available are:

**President** – would suit somebody that is organised, not necessarily an ideas person but somebody that can run with one when it's given! A good communicator and possess some leadership qualities. It is also recommended that you are available in attendance to facilitate all fundraising events.

**Vice President** – would suit somebody that is flexible to adopt any role that is needed to be filled due to another exec member's absence. Support the President in all areas.

**Secretary** – would suit somebody who loves to be prepared! Is able to take minutes and still be actively involved in the discussion at hand.

**Treasurer** – would suit somebody that has prior or current financial experience (however this is not necessary if you'd like to give it a go!)

**Committee member** – would suit anybody that has a child that attends OLQP.

2014 has been another successful year, with your resounding support the P & F will be able to hand Mr Hopley another \$50,000 cheque this year which will continue to help improve our play ground and put more technology into the class rooms.

The fundraisers that we have run this year include:

Aussie Farmers fruit and veggie drive

School Banking

Hot cross buns in time for Easter

The sale of The Entertainment Book

Mother's Day and Father's Day stalls

Mufti Days

Discos

The OLQP Big Fete

First ever "Mother Shopping Night" being held 7<sup>th</sup> Nov (get your tickets now!)

We have also welcomed you to information evenings that included:

How children learn

Cyber Bullying which was conducted by Merrylands Police.

We hope that you have enjoyed participating in these activities as much as we have enjoyed bringing them to you. Please support your 2015 P & F Committee as much as you have supported us.

From Dianne Santos (VP), Belinda Carr (Secretary), Wendy Tointon (Treasurer), the whole P & F committee and myself we say thank you and look forward to helping in 2015.
