## PRINCIPAL'S MESSAGE

Dear students, parents and teachers,

We are now accepting enrolments for Kindergarten 2015. We hope to start interviewing early next term so it is important for all families to submit their application as soon as possible. Enrolments close on Friday 30<sup>th</sup> May and any applications received after this date will be placed on a waiting list. If you have a child of school age or know of someone who does, please contact the school and ask for an enrolment form. Alternatively you can download a form from our website.

This year the official date for wearing the school winter uniform will be Monday 12<sup>th</sup> May. It will be important that the children are all in the winter uniform as we will be having our school photos taken the following week on Monday 19<sup>th</sup> May. Just a reminder also that running shoes, worn on sports days, need to be predominantly white. Some reminder letters have been sent home to families and I really appreciate the quick response to this uniform requirement. Wearing brightly coloured shoes can often lead to wrist bands and coloured hair bands and other non-uniform items being worn. I would ask that all students are wearing the correct shoes by Term 2. If we are to have a uniform I believe we need to be true to its purpose - to establish in our students, a sense of readiness for learning and pride in their school. Sports shoes can be purchased from the uniform shop. For details on uniform shop opening hours in the school holidays, please visit our school website [www.olqpgreystanes.catholic.edu.au](http://www.olqpgreystanes.catholic.edu.au)

Last Sunday we had a special blessing at Mass for the sporting teams in our Parish. It was great to see the footballers, soccer and netball players in attendance. Our next School Mass in the Parish will be held on Sunday 6<sup>th</sup> April at 10.00am. I hope that lots of our families will be able to attend as our children have been invited to participate in the choir and the offertory procession and as greeters, collectors and readers. This is a great way to enhance the children's sense of community.

As I mentioned last year we are looking to organise a softfall area outside the school hall to be used by the children at recess and lunch times. This is a very costly project and we are seeking support in the form of a grant from Holroyd Council. Applications for the Council's Club Grants are now open and we are looking to approach Wentworthville Leagues Club to support our application. We will be seeking signatures for a petition from anyone who uses the Club's facilities in any way including sporting teams.

We would also like to hear from anyone who has a connection with the club, particularly long standing members who may be able to support our application. Our P&F Committee and Mr Keiron Maye, a parent of our school, are working with me to process our application. If you have any information or connection with the Club that can help, please contact the office by phone or send an email to [olqp@parra.catholic.edu.au](mailto:olqp@parra.catholic.edu.au)

Just a reminder that we all need to be careful about parking, particularly in Braeside Road. Driveways must be kept clear at all times and Council Rangers do patrol the area from time to time. The fine for parking in a driveway is \$290.

At our last P&F Meeting Mrs Garzaniti spoke about the introduction of the new National English Syllabus. She also talked about how families can support their children at home with how they learn and develop their reading skills. Our next P&F Meeting will be held on Wednesday 9<sup>th</sup> April at 7.30pm and Fr. Bob Bossini will address the group about the relationship between Parish and School.

As this is our last newsletter for Term 1, I would like to take the opportunity to thank our parents and children for the commitment to learning that has been characterised by our great start to the new school year. I know that you will join me also in thanking our hard working teachers who dedicate themselves to their profession and who take such great care of their students. During this time of Lent leading to Easter I hope that all our families will take the holiday opportunity to attend Mass services in the Parish listed on the next page. I hope that you are all able to celebrate the significant event of the Resurrection that so epitomises God's love for us.

"Charity, love" writes Pope Francis, "is sharing with the ones we love in all things. Love makes us similar, it creates equality, it breaks down walls and eliminates distances. God did this with us."

Have a wonderful Easter break.

Michael Hopley

Principal

## AP UPDATE:

### Literacy

Thank you to the parents that have completed requests for workshops on various aspects of literacy. If you would like to participate in any such workshops please let me know by going to the following link: <http://tinyurl.com/oxpvlcb> Thanks.

### \*\* Premier's Reading Challenge \*\*

Last week we sent home a note requesting that you let us know if your child needed a new password to enable them to enter this Challenge (as some children have advised us that they have misplaced their password). Following on from discussions with the people from the Premier's Reading Challenge, they have reset passwords for all students (rather than replacing specific ones). To that end I would ask that you log onto <http://tinyurl.com/oywm6v8> and fill in details for your children that wish to participate, as well as providing an email address, so that I can automatically forward the necessary details (new password) to you. All other account details will remain the same. Thank you.

### Year 2 Celebration

Year 2 are holding an end of term *Celebrations* Assembly on Tuesday, 8th April at 2pm. All parents are welcome to attend. Could you please help us out by providing a SMALL plate of food to contribute to the "Celebrations" theme. We look forward to seeing you there!

Year 2 Children and Teachers.

### 4<sup>th</sup> Sunday of Lent – Let Us Grow In Faith

In last Sunday's Gospel we heard the story of Jesus curing a man who had been blind since birth. What a confusing and emotional day for this man as he opened his eyes and saw for the very first time in his life! How would he have reacted to seeing colours for the first time or the sun? Everybody sees things in different ways and our reactions are very unique.

Some, who were there, saw a blind man being cured and walked on amazed. Others saw the same cure and found faith. We can all see things – everyday things – with very different eyes. We may see a sick woman with the eye of compassion for illness or with the eye of hope for a cure or even with the eye of profit for a profession. As Christians we try to see the world and its experiences with the eyes of faith.

Faith grows in many ways if we allow it to; by truly opening ourselves to the human desire for God, by mulling over the positive things in life, by appreciating the good within ourselves and others and by remembering times of faith in the past. These things will bring us to a new and stronger faith. This is the call of this Sunday's gospel – to open our eyes to the Lord who is at work in many ways.

If we are able to learn to look and love with the eye of faith by looking at the way Jesus looks at us, our faith will definitely grow and be strengthened. Faith is often a big leap; to believe in what we cannot see is a very difficult thing. Even the blind man in John's gospel was reminded – 'you are looking at the Son of Man, he is speaking to you'. Jesus looks at each of us with faith in our goodness and with love.

Try to walk around in this atmosphere of faith, 'seeing' God in a flower, in a parent holding a child's hand, in a man pushing a wheelchair or in a good deed done for another with courage and notice that in many ways God is near and the presence of Jesus is at hand.

*I once was lost and now am found, was blind and now I see - Amazing Grace*

*Blessings for a wonderful week,*

*Rebecca Lloyd REC*

***Our next Children's Mass will be held on Sunday 6<sup>th</sup> April at 10am.***

***Please join us for the celebration of the Eucharist together.***

## ACTIVE KIDS ARE HEALTHY KIDS....

Physical activity is important for healthy growth and development. It is also a great way for kids to make friends and learn physical and social skills.

Encouraging kids to be active when they are young establishes a healthy routine that will stay with them throughout their life.

- Children (5-12yrs old) need a *minimum* of 60 minutes (and up to several hours) of moderate to vigorous physical activity every day. Remember, *more is better*. This can be built up throughout the day with a combination of moderate and vigorous activities.
- Children should spend a *maximum* of two hours a day using electronic media for entertainment (e.g. computer games, TV, internet), and preferably not during daylight hours.

## ***Sacrament of Confirmation 2014***

### ***Our Lady Queen of Peace Parish Greystanes***

We would like to advise that our Parish is currently accepting enrolments for the Sacrament of Confirmation for 2014 **and we invite all students in Year 5, Year 6 or above, to continue their Sacramental Process.** To receive an enrolment form or any further information, please contact our Sacramental Office on **8863 1827** or email [\*\*sacraments@olqp.org.au\*\*](mailto:sacraments@olqp.org.au)

## **OFFICE NEWS:**

### **STUDENT ATTENDANCE AND EXEMPTIONS**

If students are away from school it is a legal requirement that a note, medical certificate be supplied to the school office explaining the absence.

School absences are also recorded on school reports and could reflect badly on a student wanting to enrol in another school, such as High school.

*These guidelines have been set by the Catholic Education Commission in conjunction with the Education Act 1990*

No OLQP Parents are to be using the **Pre-school** or **St Paul's driveway** to drop off students attending QLDP.

*Holroyd City Council has been notified and rangers will be monitoring school drop off and pick up times and will be handing out infringements accordingly.*
