UPCOMING EVENTS

PRINCIPAL'S MESSAGE

Dear Students, Parents and Teachers,

Preparation for our **SCHOOL FETE** this **Saturday 13 September** continues and we are still hoping for parent support on the day. **We particularly need people for the afternoon (12.00pm to 3pm).** There are lots of jobs helping with stalls, setting up and packing up at the end of the fete day. If you can give some time to help with these jobs, please contact **Mrs Melissa Cini** on **0413676700**. Thank you to all those families that have provided gift baskets and donations for the Chocolate Wheel. We look forward to a sunny, successful day.

I am very pleased to announce that our **soft fall** area is going ahead. Work will begin in the September holidays. We have been very fortunate in obtaining a **\$30,000** grant from **Wentworthville Leagues Club** and **Mr David Bourne, Principal of St. Paul's College**, has also generously donated **\$25,000** towards the project. I believe that the soft fall area will allow the children to have a space where they can play safely as well as having a place for outdoor learning. I would like to acknowledge the efforts of **Mr Kieron Maye** (parent) who organised the grant application and the tender process for the companies providing the work. **Mr Robert Simonetto** (parent) also provided much needed building consultation on the whole process. We are very fortunate in deed to have people of this caliber to organise large projects such as this one. Together with the P&F we are now looking at re-surfacing other areas of the playground in the future.

Our **Staff Development Day** last week was an excellent opportunity for our teachers to unpack the new **Mathematics** and **English Syllabus** documents. It was a very productive day and has allowed us to begin planning for 2015.

As previously mentioned we have recently adopted a new database for parent and student information called **FACES**. It is very important that data entered is accurate, particularly the parent contact details.

*** URGENT: Have you updated your Family Details Yet?

As we migrate to this new administration system we ask that you update parent details with regards to mobile phones, email addresses, medicare details, etc, as well as providing confirmation of student travel arrangements. Could you please go to:

<http://tinyurl.com/p8ybu8n> to update your details. Thank you to all those parents who have already provided this information.

Congratulations to **Olivia Pratt (6D)**, our school captain, who has made it through to the **grand final** of the **Parramatta Diocesan Voice of Youth Competition**. This is a wonderful achievement, particularly given that Olivia has had to deliver a three-minute speech to a number of large audiences. As you can imagine this takes a great deal of skill and confidence and we are all very proud of her.

On **Monday** we celebrated a special **Mass for Mary** on the **feast of her birthday**. The Mass involved students from **OLQP** and **St. Paul's College** and a procession of the statue of Our Lady through our school grounds. It was also our first school Mass with our new Parish Priest, Fr. Paul Marshall. **Fr Paul** comes to us from **Toongabbie Parish** and we are very happy to have him as our **new pastor**. We look forward to his guidance and his celebration of the Sacraments in our school.

PRINCIPAL'S MESSAGE CONT :

As this is the last newsletter for the term I would like to thank everyone for their continued support. I'm sure our fete will be a wonderful success as it is always a great experience when we come together as a community, with a common purpose – to ultimately provide the best learning facilities and experiences for our children.

I hope everyone has a great spring break and comes back refreshed and ready for term 4.

Have a great week

Michael Hopley

Principal

AP NEWS:

National Literacy and Numeracy Week

Over the past week many parents have taken the opportunity to visit their child's classroom to see the great work that is happening in literacy and numeracy, as well as visiting our Book Fair with their child in order to encourage them to continue to develop their love of reading. Thank you for supporting and encouraging your child.

Next Friday the children will have the opportunity to take part in our "Sandwich Board Parade" (10:30am—10:55am all parents welcome), as well as our Literacy and Numeracy Trivia competition.

Father's Day

Thank you to all the dads and male carers who turned up for our BBQ breakfast and Father's Day Liturgy last Friday morning. It was lovely to see such a huge turnout. The children were so excited to have dad at school for breakfast, as well as taking their fathers to their classrooms and Book Fair and praying with them an opportunity sometimes restricted to mums! I think this really made the children's day.

Grade Assemblies

Kinder and Year 1 have already celebrated their learning this term with grade assemblies that were very well attended. Thank you for joining us in celebrating your children's growth. The following grades would also like to invite parents, carers and grandparents to their assembly for this term, which is to be held on:

- Year 2 - 19/9 - 12pm to 1pm
- Year 3 - 19/9 - 2pm to 3pm
- Year 4 - 18/9 - 2pm to 3pm
- Year 5 - 16/9 - 12pm to 1pm

Premier's Reading Challenge

Thank you to all students who participated in this challenge for 2014. The Premier's Reading Challenge has now closed. Certificates will be issued in November.

Holidays

As this is the last newsletter for this term I would like to take the opportunity to wish all families a safe and happy holiday. I look forward to working with you and your children again in Term 4.

School resumes on Tuesday 7 October.

IN THE KNOW:

ACTIVE KIDS ARE HEALTHY KIDS....

Facts about Childhood Obesity

One in four Australian children are overweight or obese and this can lead to type 2 diabetes and cardiovascular disease. There is also a 25-50% chance of childhood obesity leading to adult obesity, so preventative action during childhood is really important.

Weight gain occurs when the energy intake from food and drinks exceeds energy expenditure from physical activity. Fortunately, many of the causes of overweight and obese children can be changed, such as:

- Diet
- Physical activity
- Active travel

Parents can help develop lifelong healthy habits by offering children healthy foods and encouraging exercise ***every day.***

A huge *Thank you* to all the mum's that helped out at our Father's Day Stall.
