Dear Parents,

Our Parish Before and After School Centre has recently expanded in order to cater for higher numbers. In the afternoons they are using Area C for their children to play before they move to the Parish Centre. I would ask that parents who pick up their children in the afternoon, move directly to the exit and not wait in the Area C playground. Next term it will be even more important that parents leave the playground as quickly as possible as the builders will be accessing the site.

Thank you for your cooperation.
